

Etihad Airways, T3 Bus Lounge, Abu Dhabi Airport UAE

Consult team provided a Turnkey Design & are now undertaking Supervision Services

Client: Etihad Airways
Location: T3 Bus Terminal
City: Abu Dhabi
Country: UAE
Size: 3,500m²
Status: Operational
Value: £10m / 50m AED

Project description

The T3 Bugs gate lounge will be the largest 1st Class & Business Lounge in the Middle East, the lounge will cater for over 500 Guests. Consult and its sub-consultants have fully designed the scheme and are now engaged in site supervision of Brookfield Multiplex fit-out team.

The scheme offers a range of dining experiences supported by spa, barber and nail spa facilities.

Consult provided full time supervision of Brookfield Multiplex on construction site supervision.
Completed August 2014.
